

JESUS, YOU'VE SET ME FREE

(VERSE 1)

Your grace has won me over

Your love has brought me near

(REFRAIN)

Your blood has washed my sin away

Removing all my guilty stain

I boldly come and now proclaim

Jesus, you've set me free

Jesus, you've set me free

(CHORUS)

Free to worship You

To honour and obey

Free to boldly come

Before Your throne of grace

Free to stand redeemed

Clothed in righteousness

(TO REFRAIN)

(BRIDGE)

I just want to thank You

I'm here to thank You, Jesus

I just want to thank You

I'm here to thank You, Jesus
